

# Pokemon Recorder!!!

Hello Trainers!

Welcome to the beginning of your travels in becoming a Pokemon Recorder Champion! Over the course of the next few months, you will discover many new notes, rhythms, and songs as you start your career as a Pokemon Recorder Trainer. You will need to pass various and rigorous tests in order to earn badges. These badges will level you up and allow you to move on through your packet and practice harder music.

There are 8 gym badges in total. There is the: Boulder Badge, Cascade Badge, Thunder Badge, Rainbow Badge, Soul Badge, Marsh Badge, Volcano Badge, and Earth Badge.

Trainers who earn all 8 badges will enter the playoffs. Playoffs begin on **Monday, May 1st, 2017**. In order to make the playoffs, you **MUST** earn **ALL** 8 badges. When acquiring your badges, you **MUST** go in order. For example, you must get the Boulder Badge before you can go for the Cascade Badge.

All playing tests must be submitted via a recording of yourself on the computer. Please refer to the rubric to assess yourself before you submit it. We will go over songs in class before they are assigned to you.

By the end of May, we will declare one winner the champion of Pokemon Recorder. This winner will win a special prize!!!

Go get 'em all, trainers! Good luck!
